In order to comply with Ofsted Standards and our insurance policy, the limit of children is set at a ratio of: 1 Adult to 8 children between 4 and 8 years and 1 staff to 4 children for the 2- 3years.

Should our numbers increase beyond the recommended ratio then a waiting list would be brought into operation.

Such a waiting list will be administered on a first come first served basis, but a priority list could be called into operation. The criteria for such would be;

- Siblings already attending the Club
- Time on the waiting list
- Social Services referrals
